

Plus Employment Support Service

Employment Assistance Program

Empowering people with MS and Acquired Neurological conditions in the workplace. We can help you take control of your career, from searching for suitable work to supporting you in your new role.

Finding work

If you're seeking employment, we offer comprehensive support throughout the recruitment process.

Our specialised consultants are based in the ACT, New South Wales, Tasmania and Victoria.

With expertise in MS and acquired neurological conditions, we can help you:

- Identify employment opportunities
- Manage career planning and development
- Apply for suitable jobs
- Write tailored resumes and cover letters
- Prepare for job interviews

Succeeding at work

Once we've successfully assisted you in finding the right job, we are here to provide ongoing support tailored to your needs:

- Implement strategies to better manage your symptoms at work
- Access to funding for workplace equipment, modifications, and interventions such as physiotherapy, pain management or counselling
- Promote awareness and educate employers and co-workers on MS and neurological conditions
